SUMMARY

Enterprise Agile coach with 13 years in complex, regulated organizations. I coach squads, chapters and senior leaders (scrum masters, product owners, chapter leads) on the agile operating model and its values, facilitate squad and tribe ceremonies, and lead change management and training that embeds new ways of working. I founded and run an Agile Center of Excellence. I lead as a multiplier: I set clear standards, remove blockers and enable teams rather than hand them answers. Certified across ICAgile (ACC, ENT), SAFe (SSM, PMPO) and Scrum (CSPO).
