Re: Squad Lead, Delivery Enablement (job 9320)

Dear Euroclear Hiring Team,

I am applying for the Squad Lead, Delivery Enablement role in the EB settlement tribe.

I have friends at Euroclear in Finance, Data and Public Communication. They have told me enough about the day-to-day work for me to want to join. Settlement and data sit at the centre of what Euroclear does. My own work has been delivery leadership in regulated banking, under deadlines that do not move.

I was Delivery Lead at KBC in Brussels for four years. I ran a unit with multiple squads and trains across countries, owned the SteerCo reporting, and took the calls when delivery blocked. Before that I worked at Credit Suisse and HSBC on securities, derivatives and regulatory reporting.

I can start in October. I do not need a work permit, and I work in English with working Dutch.

Yours sincerely,

Anjish Bhondwe
