Re: Squad Master / Product Owner · Private Individuals Onboarding (DBCF)

Dear ING Hiring Team,

I am applying for the Squad Master role on Private Individuals Onboarding. For 14 years I have worked in banking and digital product delivery. I lead Agile squads, run project plans with Product partners, and use KPI packs when priorities compete. I hold CSPO, SAFe SSM and SAFe PMPO. AIGP is in progress.

At KBC in Brussels and Leuven I led EMEA squads across four countries. I kept the roadmap moving, cleared dependencies, and put delivery numbers in front of SteerCo. The work sat with Product, journey partners, Risk, data and compliance. At Uplight I was Product Owner for a multi-country digital product and owned the backlog and releases. At iostiring I am Director of Agile Delivery & Transformation and I still coach squads on live delivery.

I hold a Belgian residence A card. With a permit transfer I can start. I work in English and Dutch. Happy to talk about the onboarding squad and how I work with Customer Journey Experts.

Yours sincerely,
