Professional Summary

Senior Scrum Master and Agile CoE Lead with 13 years in **regulated financial services** and tier-1 banking. I coach squads to **self-organize**, remove barriers, protect teams from distraction, and report agile deployment and **risk and issue management** to tribe leadership. I have built **communities of practice** and **Agile Centers of Excellence**, and led multi-country delivery under **Scrum, SAFe, Scrum@Scale and Kanban**. I lead **AI development squads** with **AI Scrum practices** (AISM, Scrum Alliance), alongside repeated work coordinating **offshore partners in India** on **transfer of activities** and **run and lifecycle management** so local squads can grow and stay focused on change. Deep banking background across investment banking, retail and corporate change, regulatory reporting and **AI-backed** platform delivery. **SAFe Scrum Master**, ICAgile coach and **AIGP. English** for local and offshore teams. Cross-functional squads spanning analysis, development and testing; hands-on with **Jira**, delivery metrics, test automation and **continuous integration**.

Experience

Agile CoE Lead · Senior Scrum Master

Nov 2024 to present

iostring Technology and Consulting · Belgium and India

Regulated financial services · India operation lead since Sep 2025

- Lead **AI development squads** with **AI Scrum practices** (AISM, Scrum Alliance); embed **AI governance** (AIGP, EU AI Act) in how squads plan, build, test and release.
- Founded the **Agile Center of Excellence** and a **community of practice** for scrum masters and product owners: harmonise **Scrum, Kanban and SAFe**, share best practices, and run coach-the-coach paths across client tribes.
- Lead the **India operation** and coordinate **offshore partners in India** on **transfer of activities**: scope run and **lifecycle management** to outsourcing partners so local squads grow and stay focused on the target vision.
- Coach cross-functional squads (analysis, development, testing); track **team capacity and velocity metrics**, manage dependencies, and report agile deployment and mitigations to client leadership.

Senior Scrum Master · Agile Program Lead

Sep 2021 to Oct 2024

KBC Bank and Verzekering · Brussels and Leuven, Belgium

Regulated banking tribe · squads across Belgium, Hungary, Czech Republic, Bulgaria and India

- **Scrum Master** for cross-functional squads (analysis, development, testing, data science, DevOps) in a regulated banking tribe; coached **self-organization**, maturity and continuous improvement.
- Led 50+ onshore-offshore members with **offshore partners in India**; balanced run and change by transferring **run and lifecycle management** offshore so local squads could implement the target vision.
- Partnered with product owners on backlog and sprint readiness; tracked **team capacity and velocity metrics** and reported **risk and issue management** at tribe SteerCo reviews.
- Removed impediments and protected squads from internal and external distraction; used **Jira** and engineering tooling for **automated unit testing, automated functional testing** and **continuous integration** on Basel IV and AnaCredit programmes.
- Coached an **AI development squad** that delivered Kate Coin, an **AI-backed** digital bank coin under ECB constraints; delivered **GDPR** for Corporate and Retail Banking across five countries.
